MADEGO DELIVERY APPICATION

oooo

MR. JAVA MALON

- Age 18 years
- Canadian guy who currently have a study exchange at KMUTT in computer science faculty
- He wants to have an apple to eat but he doesn't have enough time to go out and buy it. He also wants to cook himself a meal, but he doesn't have any pork and egg to cook.

oooo

PROBLEM ?

Transporting

Transporting cost too much time especially during the day

Inconvenient Location

He lived in an area with no specific type of groceries

oooo

WHAT IF...

*You can buy those
groceries that you
want anytime at any
places like the
market is in your
pocket?*

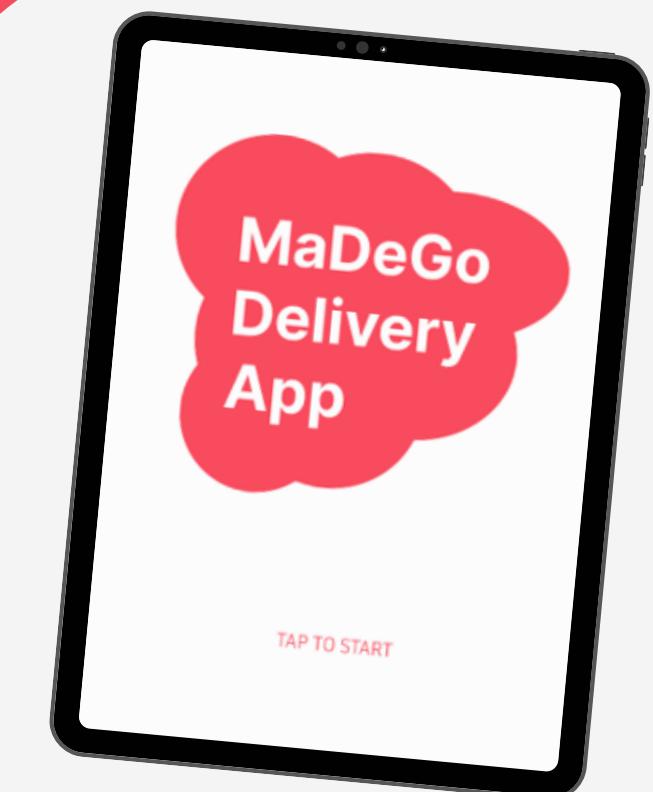

oooo
